one thing, namely, the recall of General HONGKONG, PRIDAY, SEPTEMBER 10, 1897. It is now a year since the present rebellion authorities and chief politicians, and as broke out in the Philippine Islands, and our latest advices from Manila point to the submitted to her approval Canovas was conclusion that not only are the rebels still bellowed to remain in power. There is no in the field upsubdued but that their forces doubt that the pressure of the United have been largely augmented of late by States is very powerful, and we come to deserters from the Spanish army and that these conclusions in regard to the West the end of the rebellion is as far off as ever. Indian possession—that by force of arms The rebellion was the outcome of priestly the chances of Spain quelling Cubs are oppression, as has been frequently stated very remote; that the United States will by the rebel leaders, coupled with gross not make war on Spain over the Cuban maladministration on the part of the Civil question; that Spain (chiefly due to U. S. Government. Two Governor-Generals have pressure) admits the necessity of vastly retired from the Philippines in the past reforming the rule in Cuba; and that any twelve months, one after trying the effect solution will include thorough reforms. of the policy of extermination, without The long-talked of reforms for Cuba-as crushing the rebellion and without putting they were voted and now stand-are utter into operation any reforms for the improve- bosh; to put them in a nutshell, they ment of the condition of the people. It is smount to this-Cuba may propose, but interesting, therefore, to take a glance at | Spain shall dispose. Under a Conservative the Colonial policy of the Spanish Govern. Government, the reforms, whatever they ment, and to consider whether there is are, will be very reluctantly applied and came any reasonable prospect of the restoration | too late to have a lasting effect in the sense of peace in the Philippines, of the per- of dispelling all idea of future independence, manent amelioration of the condition of for the Cubans are sharp enough to see that Per Foothers, et 3.30 p.m., on Saturday, the people, of the reformation of the public they are only being adopted under pressure. offices with a view to the suppression of cor. As El Liberal (a Madrid paper) remarked Per Nester, at 3.30 p.m., on Saturday, ruption, and of the curtailment of the powers last year,- When Cubs and Porto Rico of the priesteraft throughout the Islands. are quiet you see no need for reforms. There is in Spain a large minority of lead. When they revolt you say it is against ing men who would gladly see an end of Spanish dignity to grant reforms in face of monkish rule in the Philippines. Of that the insurgents. When they are crushed minority, some would be ready to take you say, why should the conquerer make action in that direction; but others (of that minority), would-when in powerundoubtedly shrink from the responsibility of making such a radical change when there is such a large party, the present majority, who are always crying out :- "It is only by the persuasive power of the priests that we gained the islands and still retain them. It is only by the mystic awe of quest of the heart; but when we come to religion, hammered into the natives, that we can keep them from breaking looseand so forth. See how many attempted outbreaks have been frustrated by the priests! See how many actual plots have been counterseted by their influence! This is all moonshine, in fact, for the priests themselves have been the instigators of plots and outbreaks for the sole purpose of appearing to put them down; to pose as a necessary factor in the Government of the Colony; to clench, their grip on the last refuge left them in the world for their own ends and enjoyment. But the people in Spain know nothing of the Islands. They are taught away at it till all the political world (of to believe the clerical rersion. They are Madrid) begins to discuss the possibility of entirely priest-ridden. The language the press is such that they are taught (for

> politics now hinge is that of Cuba. The Liberals, like all minorities is opposition, pretend they have the grand solution up their sleeve if they were only permitted to come into power. In May last, there was a partial crisis, but the Queen confirmed her confidence in the late premier, Canovas, and the crisis passed off for a while. items of the programme he puts forward :--(1) The appointment of a General (to Oubs) who shall direct the war in conformity with civilized ideas. (2) Ample political, administrative and

fiscal reforms up to the point of autonomy. preserving only such a hold as shall be indispensable for the assertion of Spanish sovereignty (3) The appointment of a Royal Dele-

gate, who shall be a civilian, to see to the (4) Combination of political and diplomatic action

As the partial crisis referred to raise the hopes (for power) of several parties minority, many solutions have been colored? Amongst them one was to send out Guinter Blanco to Cabe se Consumer Consumer State retain Weyler at Con manifestiment This combination was tried in 1876, with THE PARTY CONTROL OF THE PARTY OF THE PARTY

Campos was Commander in chief. The one authority pulled sgainst the other -they were jealous of each other there was a constant misunderstanding as to the limits of their respective functions, and the result was a fiasco.

All parties in opposition have agreed to

Weyler, accused of being utterly unfit to combine any diplomatic or political action with his military command. The Queen-Regent consulted all the leading military a proof that no distinct remedy has been concessions? Then we ask under what circumstances would you yield to the natural aspirations of a Colony?' The fact is that the Spaniard is noble in speech and base in action, for here we have a declaration of Sagasta (of the 10th June) who says 'A Colony cannot be preserved by terror. It must be united to the metropolis by a conactual treatment (as witnessed in the Philippines) we find the policy the very reverse of the above magnanimous principles. Romero Robledo is a sort of political

Cabinet, but he attaches himself to nobody else's party definitely. He has got a little party of his own. When no all-absorbing question is in the aff like that of Cubs, and debates in the Cortes centre move on home affairs, the irrepressible Romero Robledo becomes a thorn in the side of the ruling party. numes the tomerer over some theory which he announces as his party's tit-bit and pegs Robledo's fusion with some other party. But the fusion, if it occurs, is only of public seats were crowded with ladies. call him (Pedro Rajas) my friend, and give I believe him to be unjustly persecuted; but the Government had the best o the argument, for they replied that Robiedo only made statements without tendering any proof, whilst the Government maintained that Pedro Rajas had been tried and found culpable by the constituted tribunal, before which ample evidence was the present moment no substantial sten has been taken to eradicate the abuses complained of in the Philippines; and the new Premier has as yet made no declaration of a fresh departure in the Colonial policy of the metropolitan Government. Meanwhile the rebols are gathering strength in spite of the watchfulness of

NAVAL SQUADRONS IN THE FAR EAST.

The Nippon has an interesting article on the subject of the conditions in the Pacific Ocean. It commences with the Japanese Navy and the basis of its incresse. When the war with China broke out, Great Britain, Russia, China and Japan were thus represented in Far Eastern waters :-

Ships. Tons displacement. Great Britain... 19.......... 42,000 Russia !:..... 10....... 25,000 Japan 28...... 58,000 China 52...... 70,000

With respect to China and Japan, howover, it is to be noted that the number of sea-going ships fit for battle possessed by Japan was only 13 (out of a total of 28) with an aggregate tennage of 42,000, and that the corresponding figures in China's case were 19 and 49,000. The conclusion No compromise has yet been arrived at | to be drawn from these statistics is that the into Japan's possession. Moreover, Japan The following vessels are laid up through has since then been busily increasing her navy, so that it now comprises 45 vessels June, Malacca, Teresa, Medlister, Ba- with an aggregate displacement of 109,000 may be put at 19 with a displacement of under Major Tirnan, who was slightly An analysis shows that two of those be- 60,000. Two line-of-battle ships, the Figi wounded. Mwanga fled to German terwas to have been laid up, but this morning at 21 ships with a total displacement of son King, with a Rogency. it was announced that the increase had 85,000 tons. On the other hand, Great been granted to the Engineer, and the Britain and Russia have not been standing vessel sails. Wee Bin's have six steamers still. Russia some to have changed her their stay at Dublin to-day. The cordiality All the Blue Funnel steamers get the has 16 ships with a total displacement of them. They are now going on tour to higher rate of pay. Also the following :- | 55,000. THE magnificent TWIN-SCREW STRAMSHIPS of this Line pass through the famous INLAND SEA OF JAPAN, and usually make the vovege YOKOHAMA TO VANCOUVER (B.C.), in 12 DAYS, saving THREE DAYS to a WEEK in the T - ans-Pacific journey (avoiding the rough passages generally experienced in the latitudes further South) and make connection at Vancouver with the PALATIAL TRANS. CONTINENTAL TRAINS of the CANADIAN PACIFIC RAILWAY, which leave daily, and gross the Continent BROM THE PACIFIC TO THE ATLANTIO INLAND SEA OF JAPAN, and call at WITHOUT CHANGE. Close connection is made at Montreal, Quebec, Halifax, New HUNOLULU, and passengers are allowed York and Boston with all Trans-Atlantic Lines, which passengers to Great Britain and

the Continent are given choice of. Passengers booked through to all principal points and AROUND THE WORLD. Return tickets to various points at reduced rates, Good for 4, 6, 9 and 12 months. SPECIAL RATES (tirst class only) granted to Missionaries, Members of the Naval, Military, Diplomatic and Civil Services, and to European Officials in the Service of China and Japan Governments.

The attractive features of this Company's route embrace its PALATIAL STEAMSBIPS, (second to none in the World), the LUXURIANCE OF ITS TRANS-CONTINENTAL TRAINS (the Company having received the highest award for same at recent Chicago World's Exhibition) and the diversity of MAGNIFICENT MOUNTAIN AND LAKE SORNERY through which the Railway passes. THE DINING CARS AND MOUNTAIN HOTELS of this route are owned and

HE DID NOT GO TO AUSTRALIA. Nothing is easier than to recommend a man to go to Australia. A dozen words or so out of your mouth and you have done it. But for him Council has been considering the Budget to not on your advice -that is a gray horse of another colour. You see, Austral is half-way round the world; and to pull up stakes here and go there—family, interests, and all—is a job no man takes in hand save for the strongest

Yet that is what Mr Emrys Morgan Price, grocer and tea merchant, of Trehafed Road, Hafod, S. Wales, was advised to do by a doctor sary to re-examine the estimates from at Merthyr. Now, we don't say but that the the various Departments, and the reresult, if Mr Price had gone, would have proved suit of his investigations has been to the doctor's judgment to be sound; but as it suggest a total reduction of thirty millions, happened Mr Price came out all right in the Whether the heads of the Departments end by just staying at home.

the customary choral competition took place at that the total estimate will not be reduced in Abergavenny, and Mr Price attended. In some way-he fails to state how, and it deesn't matter -he took cold and had a chill. When he arrived home at Dowlais he could searcely breathe. To draw his lungs full of air was quite impos- Last year under the heading of 'Revenue' sible. In fact, he felt as if he were suffocating, the Government had an item of 44 million Of course, there was no more thought of sing- | yen of the indemnity money, but this ing; the question was one of getting breath year they have no indemnity money enough to live on. He at once tried that good available for the purpose, and the only old-fashioned remedy, mustard plasters, putting | way of meeting the deficit is by them on his chest and perhaps on his back be- increased taxation. The Nippon tells us tween the shoulder bades. They relieved him that the question of how to increase the for the time, as we might expect. But mustard taxation is a very difficult problem to solve plasters do one thing-no more. They draw in view of the general Parliamentary elecsome blood from the inflamed parts to the surface; that's all. When they have set up a bit of mild counter-irritation they are done; they don't get down to deep causes. And here Government came into office, they pledged there was a deep cause. We will point it out | themselves to reform the administration and presently.

throat, he says. You hear it in children when mean a reduction of expenditure. Reforms they have droup. It means that the air pas- have been instituted in several of the adsages are contracted and the breath has to pass ministrative Departments, and the country violently through a small orifice. Diseaso has has proved very sensitive to the Governoften strangled people to death that way, ment's dealing with the currency. There ' Next,' he says, 'a violent cough set in. I coughed and spat up thick phlegm night and

But out with suggestions for raising the revenue. becomes of a man's appetite and sleep? You favourite proposal, and it has naturally can imagine. No wonder the doctor at Merthyr | provoked the opposition of the sake was anxious and suggested a change of climate. | browers' guilds, who propose instead a home and consulted other physicians, one at They point out that ten years ago Dowlais and one at Hafod. All the doctors the value of the import of Geragreed that their patient was suffering from man beer was not less than 400,000 acute bronchitis, and very properly treated him for that. Yet somehow their medicines failed to effect any real radical good. That they were temporarily helpful we may not doubt. But, you see, bronchitis, once seated, is an obstinate not now exceed 60,000 yea, and, and progressive silment. It has a tondency to moreover, an export trade is now done take up new ground and to get down on the in Japanese beer amounting to 100,000 lungs, the dreason being that the lining of the yen. The sake brewers suggest that air passages and of the langs is all one thing. such a tax could be put upon the homeso an affection of any part of it, if not cured, brewed beverage, as would not tend to aproads like fire in dry grass.

starmed. Indeed, one night in July, 1885, I was to bad that my wife thought I was dying.'

result was in store, as we shall now see. Mr Price's letter, dated August 16th, 1893, concludes in these words: * Better and worse I continued in the power of this malady year after year, and had given all hopes of ever getting better. In February, 1887, after having endured it 51 years I read of a person at Pontypool kong and Germany. The Customs duty having been cared of the same thing by Mother on sugar as fixed in the Statutory Seiger's Curative Syrup. I got a supply of it, Tariff is 20 per cent.; but in the Protocol and in a few days I felt relief. I kept on with to the British Treaty the duty is fixed at it and gradually improve to In six months the 10 per cent. A clause in the Protocol, cough had left me and I was a well man. Since however, reads: 'It is understood between then I have been sound as a bell. If you like the two High Contracting Parties that,

Good! That is pleasant and cheering to hear. One word-an important word. Bronby someth fermentation, indig-stion, and reference is made in the Protocol to unrefindyspepsia. Consumption itself comes in the ed or brown sugar, and this would theresame way. Mother Seigel's Curative Syrup fore be subjected to the general Statutory drives out the poison and stops the manufacture | Tariff, which fixes the duty at 5 per cent. of more. That's why it cared Mr Price and will only. Probably brown sugar was concure anybody.

SIR HENRY IRVING ON MUSIC AND THE DRAMA.

fifty-ninth anniversary dinner May 27, Sir it declares that as the present price of Henry Irving was requested to preside. He did so, and his speech upon that the tax, and the national revenue can be occasion is printed in The American Art increased from this source to the extent of Journal. It is in a light vein, and though it nearly seven million yen a year. This prohas, perhaps, no particular value in itself, posal, however, does not meet with general it shows one side of the great dramatist's approval. But more money has to be speaker. He spoke, in part, as follows: sibility of presiding over this gathering I tention to the subject this week, and a dehad certain visitings of compunction. You finite announcement on the subject is exhave heard much about the union of the pected at an early date. - Chronicle. arts, and every liberal mind must admit that the combination of music, poetry, painting, sculpture, and acting-I am not New Prayo and Organ Repairing Material putting them in order of merit-will often and Machinery just to hand; also the latest | C give the highest pleasure to a refined Music. W. Robinson & Co. intelligence. You look through your program in the theatre, and if you ard a very conscientious student, you may notice, in small type, among a number of odds and ends, | visitor to a countryman. 'Such bracing air!' the announcement that the 'incidental 'Yes,' replied the countryman gloomily; 'but music' has been composed by—well, pro-bably by somebody who is much worthier the air into their pneumatic tires, and carry to occupy this chair than I am. This is it off.' not all. It may be that the orchestra is invisible; you cannot see the stimulating gestures of the conductor, because he is ruthlessly imprisoned in the bowels of the earth; at any rate, the incidental strains rise reproachfully from beneath the stage, too often unheeded, I fear, during the entr'actes, in the melodious hum of conversation. Frankly, I find these memories embarrassing. It is no consolation to reflect that I have often died to slow music-for it is with his dying, and not with the music, that the actor wishes the spectators chiefly to concern themselves. I once received a lettor, evidently written by a musician, who complained of this association of a stage death with a compas-Stonate aborus of violins: "Either, he said, "either the acting should be good enough without the music, or the music is good enough without the acting." I do. clined to discuss such a painful dilemma. For the crehestra, I assure you, there is a very cordial ostdom in the theater, even when they are laboring underground, like the perturbed spirit of Hamlot's father. THE JAPANESE BUDGET DEFICIT. ' Kobe, Sept. 1. Within the last few days the Cabinet for the next fiscal year. The total amount demanded by the various Departments reached the sum of 250 million yen, or ten millions more than the Budget of last year. Seeing that this is about fifty million you in excess of the present revenue, the Finance Minister has found it neces will accept the reductions is a question yet The facts are briefly these: In August, 1881, to be decided; but it is generally believed the Cabinet Council by more than twenty millions. And the question now is how | 818 the deficit of thirty millions is to be met. tions which take place next year.' But the thing must be done. When the present to adjust the finances of the country, which

There was a constant whistling noise in his the country was assured did not necessarily is in the vernacular papers the usual vague generalisations about 'establishing the finances of the Empire on a steady foundato cough night and day! Think of it. What An increase of the sake tax has been the Still, Mr Price, as we have said, remained at tax on beer brewed in the country. yen a year, but the beer-brewing industry has developed to such an extent in Japan that the import does increase the import of foreign beer. They 'As time went on,' says Mr Price, 'I got think it would bear a tax of 50 to 60 per weaker and weaker and my breathing became cent. without reducing the demand, for distressing to hear. All my friends thought 1 the consumers of beer belong to the middle had died of that comptaint, I naturally felt and upper classes, who would not feel the tax! Before the sake browers can hope to obtain a hearing they should get a man of Happily the lady was mistaken, yet death sometimes comes with fearful suddenness in that To propose a tax of 60 per cent. on home-complaint, and her fear was very reasonable. brewed beer is the height of absurdity, At that time, please remember, our good friend and to say it will not increase the had suffered about four years, and was in a state | import is ridiculous, seeing that the import of low vitality. The whole mody was feeble and duty on foreign beer is only 25 per cent. exhausted, and there would have been nothing under the new Statutory Tariff. The surprising in a fatal termination. But a better Yomiteri has a pet scheme of its own-namely, a tax on sugar. Very little sugar is manufactured in Japan, and, though the consumption is gradually rincreasing, the country depends almost entirely on imports for its supplies, chiefly from Hong- 1012 you may publish my statement and I will gladly Japan thinks it necessary at any time to soswer any inquiries. (Signed) Emrys Morgan levy an additional duty on the production or manufacture of refined sugar in Japan, an increased Customs duty equivalent chitis, pnoumonia, rheumatism, gout, nervous in amount may be levied on British disorders, liver complaint, kidney trouble, and refined sugar when imported into most of our familiar diseases are caused by Japan so long as such additional tax poison in the blood; and the poison is produced or inland duty continues to be raised.' No

sidered by the Treaty makers to be raw material, but the Yumiuri declares that raw sugar is used in Japan to a greater extent than the refined. The Tokyo journal proposes specific duties of 4 sen per When the Royal Society of Musicians of catty on candy, 32 sen per catty on Great Britain gave their one hundred and white sugar, and 11 sen on brown; and sugar is exceedingly low it can well bear character as a successful after-dinner ruised, and a great deal of interest is naturally excited as to how it is to be When I began to consider the respon- obtained. MONTHLY RECORD OF INFORMA-TION FOR PLANTERS Of Tea, Cocoa, Cinchona, Coffee, Icdiarnbber Sugar, Palms, Cotton, Cardamons, Koia, Coca, Cinnamon, Nutmega, Fibrous plants and other Products suited for Cultivation in the Tropics.

[Published at Observer Office, Colombo, Coylon, on or about the 1st of each Month. Commenced in June 1881.]

THE 'TROPICAL AGRICULTURIST' has n in assured position in its large circulation in Ceylon, Southern and even Central an Northern India, the Straits Settlement Sumatra, Java, Borneo, Northern Austr lia, Queensland, Central America, Natu Mauritius and the West Indies. From t Mauritus and the West Indies. From a sub-tropical planting settlements we have had cordial approval of the publication at an encouraging measure of support. The English, Indian and Colonial Press has also Directors of Public Gardens from Sir Joseph Hooker, F.R.S., downwards, and have all plantors.

to have all planters.

Me No planter should be without it. Subscription, including postage, in advance £1 sterling. Rupees 12. Dollars 5. Single copies 2s or R1; back copies 3s R1 50. Any one of the Four Volum completed, (1881-2; 1882-3; 1883-4; 1884-4 bound in cloth, lettered, with Comprehe sive Index, for £1 10s (or R18), carried record. prepaid.

As a medium for English, American a Australian ADVERTISEMENTS of gos suitable for the tropics, India as well suitable for the tropics, India as well Ceylon, the Straits Settlements, Jan and West Indies or connected with ag culture the Tropical Agriculturist star unrivalled, the work being constantly the hands of Native as well as Europe and American agriculturists. Being Monthly Periodical, the Tropical A ricult rist lies on the table and is very often ferred to during each month, a fact whe advertisers will know how to appreciate.

Mr W. T. Thisalton Dyer, I.L.S., Assitant Director of Kew Gardens, writing the T. A., refers to it as "an astonish pertory of everything relating to the commic botany of the East."

A. For the sale of plants, seeds, mach ery, implements, &c., used in tropical (tangar, fibres, &c.) agriculture, no bet advertising medium exists.
